Monthly Newsletter

## THE PRESIDENT'S PEN

Steve Schmitt

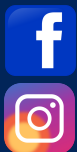

As I look outside and see the leaves falling, I'm reminded of the seasons we go through in pretty much every aspect of our lives. It's November, which is the time of year we show gratitude for everything that we have. Personally, I'm giving thanks for the past 6 months, and all hard work we've put toward making this the best year the FKSCC has ever seen. Together, we are rising to the challenges presented by the pandemic, and the uncertainties surrounding it. Thank you to all of our members for attending events, contributing your time and talents to our efforts, and donating your hard-earned money to our fundraisers. We can't do this without you.

Wasn't BLINGO amazing? All of the sparkles and sequins really brightened up the room. I can't say enough about the program Christiane and the mixer committee executed. Great job! I also want to give a huge shout out to the Central Kentucky Bourbon Drinkers and North Hardin Wine and Spirits for their incredible contribution of \$3000 toward our scholarships and grants programs. That will really bolster our ability to impact the community.

Still, we continue. This month I am also giving thanks because we are moving forward with new fundraisers and programs. Tickets are on sale now for the Holiday Historic Tour of Homes. Seven of our Clark neighbors will show us their decorated houses. Plus, as a bonus you'll be able to get a sneak peek at some of the Wreaths and Trees that are up for auction next month in our second annual Wreath and Tree virtual auction. Once again, all proceeds benefit scholarships and grants.

Finally, let me say, as we move into the holiday season that I am thankful the resilience we've shown as a club. Pandemic mandates may come and go, and then come back again, but we still move forward. We may have to adjust locations, times, or events altogether, but we still move forward. Together, we have learned patience and perseverance, and we've learned how to move forward in the best ways possible. That can only serve to help us continue in our mission to BE THE CHANGE.

Happy Thanksgiving,  
Steve

Get To Know Me

Hello friends, my name is Tracie Ramirez. I am the Vendor Coordinator for the club this year. I am enjoying getting to know all the new Spouses. We have been here at Ft. Knox for just over a year now, and are loving it here so far. This was our 11th move over 26 years. We have two great kids. Our daughter is in college in South Carolina and our son is also Active Duty stationed in Hawaii. We are loving being empty nesters. My greatest love is traveling. It doesn't matter near or far, just getting to see a new place is thrilling. In my personal time I love to read and do puzzles. I am also having a great time with all the Sub Clubs and events. I am always looking to make new friends so I hope to say hello to you soon.
